

Remarks

The above amendments are being made in order to eliminate multiple dependency and improper multiple dependency before calculation of the national filing fee for the United States. Should any multiple dependency remain, that is unintended, and it is requested that the Patent and Trademark Office cancel any remaining multiple dependent claims without prejudice before calculation of the national filing fee for the United States.

Examination of the application on its merits is awaited.

July 6, 2005

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William M. Lee, Jr.", is written over a horizontal line.
